TOC Week 0 DFW 5A Game Previews

Plano East (0-0) at Arlington (0-0): Lots of buzz surrounding PESH after they put together a strong performance in their Friday scrimmage with Coppell. Not much was expected from the Panthers by most pre-season pollsters, but a strong ground game and experience at QB and WR could be a winning formula for the Panthers. Arlington brings back the house, but they lost their top offensive and defensive players from a year ago. The key for the Colts offense will be QB [Josh Greer](#) and his development, he's got plenty of weapons with RB [Tavarreon Dickerson](#) and WR [Emilio Vera](#). The defense for AHS struggled at times a year ago, look for LB [Sammy Douglas](#) to take over the role as defensive leader. Last year's game between the two teams was a barn burner and I expect no less this year, I'm still not totally sold on Plano East yet but a win this could force me to jump on the bandwagon. **Stepp's Pick: Arlington by 4**

Tyler Lee (0-0) at Euless Trinity (0-0): Last year Trinity walked into Rose Stadium and simply drilled Tyler Lee to open the season. On paper, this version of Trinity isn't as strong as a year ago but there's talent there. The Trojans have talent in the backfield, but its unproven talent for the most part but that big offensive line is still around led by [Hiva Lutui](#) who is a verbal commit to UCLA. The defense has a big hole with LB [Brian Nance](#) still likely out with an injury. All eyes for the Trinity defense will be on Red Raiders RB [LaQuintas Wallace](#) who will be the focal point of new HC Randy Huffstickler's attack. Tyler Lee at least on paper has hit a talent lull and going into Pennington Field to open the season will be tough. **Stepp's Pick: Euless Trinity by 21**

Arlington QB Josh Greer
